

CRITICAL INFORMATION SUMMARY

BUZZ UNLIMITED 2

Information about the Service Buzz Unlimited 2 is a fully managed business voice solution that works over your existing internet service. The internet service can be supplied by any carrier as long as it meets our minimum requirements and is not an ADSL service. It allows 2 concurrent calls inbound or outbound to the public phone network via the numbers assigned to your service using a SIP capable device.

Minimum Term The minimum term is 1 month. There are no long-term commitments or exit fees.

Minimum Monthly Cost (ex GST) \$300 including setup fee for the 1st month and \$200 per month excluding international call charges and options thereafter.

Inclusions

Additional Number (DID)	\$5 per month
-------------------------	---------------

If you require additional extensions you must move to the next available plan. In the event that another plan may be more appropriate for you, your account manager will contact you to discuss your options.

Supported Devices

We support most SIP capable devices, for more information refer to www.theglue.com.au/devices. Handsets are available at an additional cost.

Emergency Calls We will register your number with the IPND for emergency services. This voice service will not work if your internet access is not working. If you have a life-threatening condition, this service is not suitable.
